

Safety Data Sheet – WOCA Natural Soap

0. General:

- : means no data or not relevant

1. Identification:

Product name: WOCA Natural Soap

Product Category:

Application: Floor soap.

Measures by accident/poisoning: Bring the packaging or the product information data sheet when seeking medical attention. In Denmark: for information about the proper treatment, the doctor may call the poison information at Bispebjerg Hospital, phone **+45 35 31 60 60**

2. Composition/Information on Ingredients:

Hazardous compounds in accordance with EC Directives 1999/45/EEC; 2001/59/EEC (symbol and R-phrases are stated for the pure compound). Any volatile compounds are stated in item 8 in units of ppm.

Contains:	Weight %:	Classification:
-	-	-

3. Hazards Identification:

Main Toxicological and Ecological hazards: Repeated or continued contact with the product can cause eczema (not allergic).

Symptoms: -

4. First Aid Measures:

General information: Bring this Safety Data Sheet with you to physician/emergency room. If in doubt, Also see para. 1

Inhalation: Fresh air.

Contact with eyes: Immediately rinse with water. Contact physician if irritation continues.

Contact with skin: Wash with soap and water.

Ingestion: Rinse mouth and then drink plenty of water. Do NOT induce vomiting. Contact physician if irritation continues.

Burns: -

5. Fire-fighting Measures:

Suitable extinguishing media: Not flammable. Use extinguishing media appropriate for surrounding fire.

Extinguishing media that must not be used: -

Special hazards: -

6. Accidental Release Measures:

Personal precautions: -

Environmental precautions: Contact fire brigade in case of large amounts of spill to the outer environment. See item 13.

Methods for cleaning up: Absorb large spills using absorbing material and deliver to an approved receiving station for hazardous waste. Small quantities of spilled material may be flushed to drains with plenty of water.

7. Handling and Storage:

Handling: Avoid contact with eyes and skin. Working routines should be implemented to reduce spill or any other form of spreading.

Storage: Keep in closed original container.

Specific Environmental Protection Precautions: To prevent leakage, containers in use must be carefully closed and stored in upright position.

8. Exposure Control/Personal Protection:

Engineering Control Measures: Plenty of water must be available.

Hand Protection: If possible use protective gloves made of rubber.

Eye-Protection: If possible wear eye protection.

Skin-Protection: -

General information: Workplace and methods must be arranged to prevent all direct contact with the product.

9. Physical and Chemical Properties:

Form: Liquid

Specific volume: 1,01 – 1,03 g/cm³

pH-value (conc.): 9,7

10. Stability and Reactivity:

Stability: The product is stable in normal use.

11. Toxicological Information:

Contact with skin: Skin irritant. Prolonged or repeated skin contact may lead to eczematous dryness of the skin.

Contact with eyes: Eye irritant.

Ingestion: May cause irritation of the mucous membranes if swallowed.

Chronic effects: None known.

12. Ecological Information:

Ecotoxicity: The organic substances in this product are only faintly toxic to aquatic organisms and, therefore, need not be classified as dangerous to the environment (LC, EC and IC >100 mg/l).

Mobility: -

Degradability: The organic substances in this product are easily biodegradable according to OECD test method 301 A-F.

Accumulation: -

13. Disposal Considerations:

General information: Waste code applies to product remnants in pure form.

Disposal considerations: Dispose of large amounts (over 10 kg) as chemical waste.

Waste code: 20 01 30

detergents other than those mentioned in 20 01 29

14. Transport Information:

The product is not comprised by transport regulations of dangerous goods.

15. Regulatory information

Labeling: The product does not require a hazard warning label in accordance with EC Directives.

Special education: None specific - the users of the product should be familiar with the contents of this Safety Data Sheet.

16. Other Information:

Final remarks: The information in this Safety Data Sheet is based upon the information available at the time of its preparation.

The Safety Data Sheet is issued according to present EEC legislation.

The product has not been tested, however, the information about the product is based on knowledge of the dangerous properties of the

contained substances together with knowledge about similar products.

Alterations have been carried out as a general update of the data sheet.

Date of revision: June 2008
